Christos Troussas | [Curriculum Vitae]

Department of Informatics and Computer Engineering, University of West Attica |
Tel.: +302105385835 | *E-mail:* ctrouss@uniwa.gr

Current Position

Assistant Professor — Department of Informatics and Computer Engineering, University of West Attica

Education

- **PostDoc Research in Software Engineering** — Department of Informatics and Computer Engineering, University of West Attica
- **PhD in Informatics** — Department of Informatics, University of Piraeus
- **MSc with specialization in Intelligent Technologies of HCI** — Department of Informatics, University of Piraeus
- **BSc in Informatics** — Department of Informatics, University of Piraeus

Current Teaching

- **Human-Computer Interaction, Software Quality & Reliability, Compilers** — Undergraduate Program, Dpt. of Informatics and Computer Engineering, University of West Attica

- **Introduction to Object-Oriented Programming, Mobile technology & Programming, Development of Web applications, Informatics in Education** — Postgraduate Program in "Information Technology and Applications", University of West Attica

- **Integrated hardware and software environments in the Internet** — Postgraduate Program in "Advanced Computing Systems", University of West Attica

- **Ergonomics and Human-Machine Interfaces, Collaborative learning with digital technologies and social networks, Digital repositories and open educational resources** — Postgraduate Program in "Digital Transformation and Educational Practice", jointly organized by University of West Attica, National and Kapodistrian University of Athens and School of Pedagogical and Technological Education

Research Interests

- Personalized Software Technologies
- Human-Computer Interaction
- Adaptive Software
- User Modelling

- User Experience Research
- Artificial Intelligence in Education

Publications

- [Google Scholar](#)
- [Scopus](#)
- [DBLP](#)
- [ResearchGate](#)

Research groups

- [Institute of Intelligent Systems](#)
- [Greek Computer Society](#)
- [Educational Technology and eLearning Systems Laboratory](#)
