

## PUBLICATIONS

### Articles in international conferences with Reviewing committee to the full-text of the article

- 1 – Dimos Pantazis, Panagiotis Stratakis, Sofia Karapatsiou, Vasiliki Kyriakopoulou, 2005, *Digital Cartography in the Surveying Department of TEI of Athens:Reforms, Changes, Challenges and Problems*, 2005 WSEAS International Conference on Engineering Education, Organizers: World Scientific and Engineering Academy and Society (WSEAS), Technological Educational Institute of Athens & Technological Educational Institute of Crete, With the support of the Greek Operational Programme for Education and Initial Vocational Training (O.P. "Education"), Vouliagmeni, Athens, Greece, July 8-10, 2005, pp 410-415 (also in CD proceedings)
2. - D. N. Pantazis, E. Mpatsos, P. Poliths, M. Kassolis, D. Stathakis, L. Yingcheng, T. Guo (2007) Design of Multiscale Cartographic Databases: The Greek case, in Coors, V., Rumor, M., Fendel, E.M., Zlatanova, S. (eds., 2008) Urban and regional data management, pp. 245-259. Taylor & Francis: London
3. - **M. Kassoli**, D. N. Pantazis (2009) *Understanding environmental data in Greece through national limitations and epistemic communities*. International 'UDMS – Urban Data Management Symposium, 2009', Ljubljana, Slovenia, 24-26 June 2009
4. - N. Pantazis, B. Karathanasis, **M. Kassoli**, Ath. Koukofikis (2009) *Are the morphing techniques useful for cartographic generalization?* International 'UDMS – Urban Data Management Symposium, 2009', Ljubljana, Slovenia, 24-26 June 2009
5. - D. N., Pantazis, B., Karathanasis, **M., Kassoli**, Ath., Koukofikis (2009) *Morphing techniques:Towards new methods for raster based cartographic generalization*. "24<sup>th</sup> ICC-International Cartography Conference, 2009", 15-21 November 2009
6. - Pantazis, D., Stratakis, P., Kyriakopoulou, V., **Kassolis, M.** (2008) *E- learning and blended approaches for cartographic courses at the Surveying Engineering Department of Technological Educational Institution (TEI) of Athens: Challenges and Problems*. "**FIG International Workshop on E-learning 2008: Sharing Good Practices: E-learning in Surveying, Geo-information Sciences and Land Administration**" (Conference Proceedings, pp.315-330) Enschede, Netherlands, 11-13 June, 2008
